This all occurred in less time than it takes to tell it, and the street and side walks filled with teams and people was all excitement. Immediately after passing over the express man, the unruly runaway was brought up standing by the light vehicle at his heelstriking a heavy coun ry wagon. The man was not severely hurt. The boy, it is said, had an arm broken, but in the confusion he was carrie off and we could not get the particulars of hi injury.
